

HEALTH & FITNESS

CLEANING SERVICES

At SCS Group, we deeply understand the critical role that cleaning plays in the health and fitness sector. We recognise the importance of maintaining a clean and sanitised environment to ensure the well-being and satisfaction of your members and staff.

Our team is well-versed in the unique cleaning requirements of health and fitness facilities, including gyms, fitness studios, aquatic and wellness centres. We understand the need for thorough disinfection of exercise equipment, high-touch surfaces, shower & locker rooms, and common areas to prevent the spread of germs and promote a healthy atmosphere.

SCS will strive to provide cleaning methodologies and techniques to meet the specific requirements and sizes of each health and fitness facility to create a clean, inviting, and hygienic environment that promotes the well-being and enjoyment of all your members and staff.
